

Trinity Summer ELA Learning

Dear Middle School Family,

Below you will find summer learning opportunities for ELA. Please know that these experiences are not required, but are available as your family learns and grows over the summer. Please feel free to email me at lschmidt@trinityfreistadt.com for any further questions. Many thanks!

- 1.) Use the Middle School Book Checkout. Books can be picked up at Trinity on Thursday, June 18th and Monday, July 13th. Please make selections on the Google Document 24 hours prior to pick up day.
- 2.) Read assigned selections on HMH. Sign into your HMH account and read the selections listed under assignments. You may also take selection quizzes for additional practice and feedback.
- 3.) Complete HMH Grammar Tutorials. Sign into your HMH account and complete any grammar tutorials listed under assignments that you want to review.
- 4.) Log into Freckle. Sign into your Freckle account and use the code: pcwqj4 for ELA practice. Ms. Jahr also has math available, but you need to use a different code for math.
- 5.) Complete any interesting prompts on your June and July activity calendar. Remember that none of these assignments is required. Choose calendar items that are appealing to you.
- 6.) Complete any of the grammar practice sheets. Answer keys are included so that you can check your work.

I'd love to hear your writing over the summer, so feel free to email me any time. Have a refreshing summer!

Grace and peace,

Ms. Schmidt
