

# **First and Second Grade Summer Program**

Summer break is here but there is still room to grow! Here is a fun program that will keep your child growing through the summer. The students can color the spaces for each activity they complete. We will be eagerly waiting for the students to return their chart to us in August. Students who return their chart will receive a very special surprise from us! Here are some ideas to get you started.

## **Math Practice Activities**

Practice Math facts

Log on to Freckle

Write word problems for parents

Count money

Play games like Yahtzee, War,  
Monopoly

Make a picture with a ruler and label  
measurements

## **ELA Practice Activities**

Log on to Freckle

Read a book to yourself

Read a book aloud to someone

Listen to someone read to you

Write a story, play, poem, recipe,  
list, jokes, book report, puppet show

Memorize a Bible verse and recite it  
to your parents

Write a song and sing it to your  
parents
